

T Level

Education & Early Years

Why study Education & Early Years?

Over two years, you will develop knowledge and understanding of the education and early years sector, including learning about how to support child development, behaviour, equality and diversity, Special Education Needs and Disability and much more through the core component and the occupational specialism 'Early Years Educator'. This course offers a mixture of classroom learning and 'on-the-job' experience during an industry placement across the age ranges within the early years sector.
