

# Studio Theatre (D3)

## Technical Specifications

### Kennet School

# Venue and Building Details

- The venue has a capacity of 102, which includes six seats on the balcony and a single-level seating layout with split rows (as shown on the image below).
- Disabled and accessible seats are available on ground floor level.
- There are two fire exits, clearly sign posted.
- Audiences have access to toilet facilities, including a designated disabled toilet.
- There is ample car parking available outside the front of the main building, which has a capacity of 67 spaces (including one designated for disabled parking). Additional parking is also provided for those working on shows.
- Due to limited space in the lobby, we suggest that any refreshments or merchandise be sold within the venue itself.
- Access to two additional spaces, a classroom and a workshop, each equipped with a kitchen space, will be available if required and agreed upon in advance.

# Lighting and Sound Equipment

## Control Desks

- ETC Element 1 (with two monitors)
- YAMAHA MG166cx-usb
- Q-Lab 5 MacBook Pro

## Lighting Fixtures

- 13x ETC Source 4 jr

## Operating Positions

- Our technical gallery is set up in the rear corner of the venue (as indicated by the greyed-out section on the seating plan).

## Filming Set Ups

- Operating positions for filming are flexible. We recommend conducting a site visit to plan and ensure optimal positioning for your requirements.

# Stage Details and Layout

## Stage Details

- The studio theatre is a Blackbox venue with a full stage wraparound curtain.
- The stage has two exits: one to the lobby area of the venue and another staircase up to the balcony.

## Stage Dimensions

- Stage dimensions including two additional rows are as follows: Width: 9.7m / Depth: 7m.

## Using Set on Stage

- Set is fully supported in our venue. Access is through doors you with the following dimensions: Width: 1.7m / Height: 2.4m.
- Costumes, set or props can be stored in any of our backstage areas for your convenience.

## Features of the Venue

- Fixed rig with no flying capabilities.
- If you require or would like any form of re-focusing, please don't hesitate to contact us.
- If you would like a different audience layout (other than our default seating plan), please contact us and we will be happy to support your vision, if feasible.
