

# Main Hall

## Technical Specifications

### Kennet School

# Venue and Building Details

- The venue has a capacity of 298, which includes two additional rows in front of our tiered seating
- Excluding any additional rows, the venue has a capacity of 260
- Performances in the past have included up to four additional rows, pushing our maximum capacity to 336
- The venue is fully air-conditioned
- Disabled and accessible seats are available on ground floor level
- There are three fire exits, all of which are sign-posted
- There are two toilet facilities for audiences, including a disabled toilet
- There are also toilet facilities for performers backstage, including a disabled toilet
- Car parking is available outside the front of the main building and has a space capacity of 67 including one disabled space
- Car parking for those working on shows is also available around the back of the venue
- There is seating available for audiences in our lobby and a fridge if you wish to serve food or drinks during intervals
- You will have access to three large backstage spaces. These include a classroom, Dance Studio and our Gym (see Scale of Charges)

Floor and seating plans are available if you contact our lettings manager:

# Lighting, Sound and AV Equipment

## Control Desks

- ETC ION (with two monitors one of which is touchscreen)
- SoundCraft si expression 3
- Q-Lab 5 MacBook Pro

## Lighting Fixtures

- 10x Chauvet Q-Wash 560Z
- 6x Chauvet Q-Spot 460
- 8x Chauvet Ovation F-165WW
- 7x Chauvet Ovation E-260WW
- 14x Chauvet COLORDash batten quad 6
- 12x Chauvet COLORDash Par-Quad 18

## Sound Equipment

- Speakers: EV 15" Passive Tops EV 18 Passive Subs
- Handheld Microphones: Shure SLXD2 with SM86 Capsules
- Coms: Tecpro BP 111 Belt Packs with Tecpro PS711 3 circuit base station
- Stage box equipment: A pair of 8 way XLR Looms plus the Soundcraft Stagebox Mini 32i

## AV Equipment

- Projector Specs: Maxell MP-WU8801W Projector (4k capability)
- Capable of projecting onto our cyclorama at the rear of the stage or our electronically controlled projector screen situated at the front of the stage
- An operating laptop is **not** provided for projections. (when bringing a laptop ensure it has a VGA port or lighting port with a converter)

## Operating Positions

- Our technical gallery is set up by default at the top of our tiered seating, as indicated by the greyed-out section on the seating plan (*see Seating Plan section*)
- Alternative setups can be arranged after discussion and approval in advance with our technical team

## Filming Set ups

- Operating positions for filming are flexible. If you're unfamiliar with our space's layout, we recommend conducting a site visit to plan these positions effectively
- Our Media Studies students have the potential to offer filming services if agreed in advance

# Stage Details and Layout

## Stage Details

- The stage has two rear doors as exits alongside a side exit down stage right (DSR)
- Our venue features a fully closable front curtain, mid tabs, and rear curtain, complemented by four wing curtains that can be drawn to mask any activity as needed

## Stage Dimensions

- Stage dimensions including two additional rows: Width: 9.4m / Depth: 11.2m

## Using Set on Stage

- Set is completely supported in our venue. The dimensions of doors you can use to bring set in are: Width: 1.8m / Height: 2.2m
- Storage of costume set or props can be in any of our backstage areas

## Features of the Venue

- Ceiling to floor cyclorama
- Fixed rig with no flying capabilities
- If you would like or require any form of re-focusing, please contact us
- If you're interested in having an audience layout as opposed to tiered seating, please contact us to discuss your vision
